1) Nanjangud is a Town Municipal Council It has an elected President and a Vice-President There is also a Chief officer at the place

4) The Dy Comr, Mysore Dist- has stated that after the Vice-President

SIR Re Payment of conveyance allowance to the Vice President of the Nanjangud Town Municipality

In forwarding herewith the correspondence ending with Nanjangud Town Municipal Presidents letter No H C 34/42 dated 3-9-1942 on the above subject, I have the honour to state that the Municipal Council at their meeting held on 29-8-1942 have resolved to pay a conveyance allowance of Rs 30/- p m to the elected Vice President of the Municipality and to meet the expenditure out of the closing balance of the Municipality A memo containing the duties and powers delegated in conformity with instructions contained in Government Order No L 9085-93/41 118-33-8 dated 29-6-36 is also enclosed herewith It is stated that Vice President is doing his duties accordingly

Under Section 23 Clause(14) of the Town Municipalities Act, the Vice President of any Municipal Council who is not a Government Officer may receive out of the Municipal funds such monthly allowance as such Municipal Council may sanction from time to time with the approval of Government

Rule 280 A of the Municipal Account Manual states that in the case of Municipalities other than the City Municipalities applications for such allowance will be considered by Government if the average annual income exceeds Rs 15,000/-

The details of normal income of the Municipality for the past three years are as follows:-

1939-40	35059
40-41	37454
41-42	39424

The average annual income work out to Rs 37312 In bigger Town Municipalities like Shimoga, Tumkur and Davanagere Municipalities where the population is 27733, 21945 and 3182 respectively the maximum conveyance allowance permissible is only Rs 30/- The population of Nanjangud is 10720 This Municipality has to meet the Conveyance allowance payable to the Chief Officer Now that the Vice President has put forth his claim to the Conveyance allowance, the President of the Municipality may follow suit in which case if the maximum C A is allowed to both the President and the Vice President, the total cost per year would be about Rs 1000/- which the Municipality can afford to spare considering its present financial position As there should be some incentive to the Honorary workers who frequently move about in the Town I recommend that a conveyance allowance

P T O

of only Rs 20/- may kindly be sanctioned to the Vice President

I have the honour to be,
Sir,

Conveyance Allowance to the Vice-President, Town Municipal Council, Nanjangud - Payment of -

***

With reference to your letter No L 9413 Ml 2-42-9 dated the 19th March 1943 calling for information on certain points, I have the honour to enclose herein a copy of the memo dated the 16th March 1942, received from the President, Town Municipal Council, Nanjangud and to state that as seen therefrom some of the powers and duties as contemplated in Government Order No L 9083-93 Ml 110-33-8 dated the 29th May 1936, have been delegated to the Vice President by the President and that the same are stated to have been recorded by the Municipal Council at their Meeting held on 26th September 1942 These powers specified against serial Numbers 1 to 6 and 11 are being exercised by the Vice President independently and the Chief Officer does not seem to be attending to these duties in as much as it is stated by the Municipal Council in their resolution dated the 31st May 1943 (copy enclosed) that they are not identical with those of the Chief Officer The area of Nanjangud Town including the new extensions is extensive and the Vice President has to inspect all the places including Toll Gates and Octroi Nookads etc Besides, the Vice President has to preside over and conduct meetings and perform other functions in the absence of the President These duties cannot be attended to by the Chief Officer Unless the Vice President maintains a suitable conveyance, it is not possible for him to attend to all the duties satisfactorily It is therefore desirable to grant a conveyance allowance of Rs 30/- per mensem to the Vice President who is stated to be doing good work as resolved by the Municipal Council at their Meeting held on 10th April 1943 The Municipal Council have unanimously passed a resolution agreeing to pay an allowance of Rs 50/- per mensem to the non-official President and Rs 30/- to the Vice-President But the President states that he has no desire to receive any allowance The Municipal Council have further stated that the Vice President has maintained a Jutka with a horse They have, therefore, repeatedly recommended that the conveyance allowance at the rate of Rs 30/- per mensem may be paid to the Vice President from 17th March 1942, i e , the date of delegation of powers to the Vice President from the President Separate provision has also been made in the Budget estimates of this Municipality for 1943-44 recently sanctioned by Government

The Present financial condition of the Municipality is also sound and it can, therefore, very well meet this item of extra expenditure

In these circumstances, and in view of the fact that no extra expenditure need be incurred towards the payment of the conveyance allowance to the non-official President and that the present financial condition of the Municipality could very well admit of the proposed additional expenditure, I am in complete agreement with the Municipal Council and of opinion that the maximum rate of Conveyance allowance at Rs 30/- per mensem instead of Rs 20/- originally recommended be paid to the Vice President as otherwise it would not be possible for him to maintain a suitable conveyance in these hard days.

I, therefore, recommend that the grant of a conveyance allowance of Rs 30/- per mensem may be sanctioned to the Vice President with effect from 17th March 1942 as per resolution of the Municipal Council

The records received with your letter under advertance together with the latest letter No H C 34/42 dated the 7th September 1942 received from the President and the several resolutions of the Municipal Council in this behalf are herewith sent for reference and kind return when done with

Subject - Grant of Conveyance allowance to the Vice President, Nanjangud Municipality Explanations for the delay in submitting proposals for

---

Referring to correspondence ending with your letter No L 5244/M1 2-42-30 dated 18-11-43 on the above subject, I have the honour to state that the proposal for the grant of the Conveyance allowance was at first submitted to Government in March 1943 In view of the fact that the financial condition of the Municipality was not quite sound at the time and that if the President were also to claim the conveyance allowance the total expenditure incurrable in this behalf would come to about Rs 1000 per annum which the Municipality could afford to pay at that time, I was not in favour of granting the Conveyance allowance at the rate of Rs 30/- per mensem I therefore recommended only Rs 20/- per mensem But the records were returned with your letter No L 9413/M1 2-42-9 dated 19th March 1943 for furnishing certain additional information This was sent to President for furnishing the same He was also requested at the same time to report as to whether there was real necessity for the grant of the Conveyance allowance to the Vice President, as desired by Government While examining this aspect there was some controversy between himself (President) and the Council in regard to the duties that are being performed by the Vice President and the Chief Officer and to the payment of the Conveyance allowance to the Vice President and also with regard to the date from which it has to be paid The Council had to pass resolutions more than once in this behalf All these entailed lot of correspondence between this office and the Municipal President Finally on receipt of the President's report ~~very~~ final recommendation for grant of the conveyance allowance at the rate of Rs 30/- per mensem as per resolution of the Council was submitted to Government in October 1943 in view of the fact that there was no necessity of incurring any expenditure towards the payment of the Conveyance allowance to the non official President and that the present financial condition of the Municipality could very well admit the proposed additional expenditure for the payment of the conveyance allowance to the Vice-President It will thus be seen that the delay which was entirely due to correspondence was unavoidable under the peculiar circumstances of the case Now that the accumulated arrears of the conveyance allowance from 17th March 1942 have been drawn and disbursed to the Vice President on receipt of orders of Government, I request that the delay may be kindly condoned in the circumstances explained above and that the correspondence ordered to be closed finally
